

WEARING APPAREL DEFINITIONS

The following articles of apparel seem to be the ones most often misdirected and/or having incorrect category numbers.

Blouse	Must be sleeveless garment. If it has sleeves it may be a shirt or a top. But it is not a blouse
Top	Is a garment that does not reach below the waist except tank tops which are specifically provided for in the HS
Shirt	Is one of the above garments which does not exactly meet the above descriptions
Sweater	Generally a knit garment having a waist band
Jacket	A garment with a full frontal opening, with jacket type pockets or without pockets
Cardigan	Generally a garment meeting the sweater, having a full frontal opening, having pockets which are applied the tops of which run parallel to the bottom of the garment, or it have not pockets.

The forgoing is a guide only, each contemplated purchase must be thoroughly checked out. Rulings change, new decisions are issued daily.
